

ENVIRONMENTAL POLICY

This is the environmental policy for Bluevale Structures Ltd.

Bluevale Structures Ltd. are committed to conducting their business in a manner which is both professional and ethical whilst always paying attention to their environmental responsibilities:

These environmental responsibilities will be addressed by implementing the following:

- Strict compliance with all relevant legal requirements, legislation and regulations
- Organise our operations in order to minimise pollution and disturbance to our neighbours and the general public
- Reduce where practicable, the need for any unnecessary travel and for the transportation of stores and equipment in the most efficient manner possible
- Seek to minimise waste and encourage our staff to avoid any wasteful use of materials
- Careful selection in the choice of equipment, materials and working methods and to make the most efficient use of stores and resources
- Ensure that effective measures are taken to control the risk of emissions or pollution to land, air and water from occurring during our course of work
- Encourage energy savings throughout the company by ensuring that all power appliances and equipment are switched off when not in use
- Re-use of parts and components where possible and encourage the re-use of stationary items such as files, folders and other office stationary until it is unserviceable
- Bulk wastepaper disposals will be sent to a recycling unit
- Encourage customers to specify materials and equipment which have the least environmental effect during manufacture, when in service, and which can be recycled at the end of its lifecycle
- Ensure disposal of redundant materials and equipment through approved disposal contractors with waste disposal notes retained for all transactions
- General waste to be disposed of using segregated skips provided under contract arrangements.

This Environmental Policy will be explained to and a copy given to all employees when they start with the company and a new copy will be provided and explained when this policy is updated.
